NOTES:
This version of the Downtown Campus Site Plan was officially released in July 2018 for the start of the 2018-2019 academic year at McGill University. The plan is updated and published annually in summer of each year by Campus Planning and Development McGill. This version of the campus plan is designated for internal McGill use.
This plan of downtown campus is an accurate representation of the network of the major pedestrian and vehicular paths and McGill buildings and their names. The layout presented is designed for wayfinding and as such is not completely to scale. It should not be used for exact calculations involving distance.
